2008 Standardization Conferences

From local to international conferences, the Defense Standardization Program Office (DSPO) sponsors or supports several conferences that may help you achieve your professional and training goals in the area of standardization. Listed below is information on several DSPO-sponsored standardization conferences, along with links to websites providing more details and registration information.

PSMC Spring Conference
29 April - 1 May 2008
LMI Government Consulting
2000 Corporate Ridge
McLean, Virginia 22102
http://www.dscc.dla.mil/Downloads/psmc/PSMCMay08Conference.pdf

The Parts Standardization and Management Committee (PSMC) is a combined Industry/Government forum chartered by DSPO to reduce total life cycle costs by promoting commonality of parts and processes. The PSMC advises DSPO regarding systems, technologies, practices, and approaches for improving parts management and standardization through win-win solutions for DoD and industry.

For more information, visit the **PSMC website** or call (703) 767-6874.

NATO Standardization Conference
16-18 September 2008
National Conference Center
Lansdowne, Virginia, USA
http://www.fbcinc.com/nato

The North Atlantic Treaty Organization (NATO) Standardization Conference will be held on 16-18 September 2008. This two and a half–day conference is sponsored by the United States Department of Defense, NATO Standardization Agency, and Allied Command Transformation (ACT) who expect delegates and subject matter experts from NATO nations and Partner for Peace nations to be in attendance. This conference aims to offer new ideas for standardization within NATO, to foster integration of the latest developments in allied transformation, and to facilitate the practical application of standardization in support of the Alliance.

For more information, visit the **NATO Standardization Conference website** or call (703) 767-6872.

DMSMS Conference
22-25 September 2008
Palm Springs, CA

than in connection with a definitely related Government procurement operation, the United States Government thereby incurs no responsibility, nor any obligation whatsoever; and the fact that the Government may have formulated, furnished, or in any way supplied the said drawings, specifications, or other data is not to be regarded by implication or otherwise as in any manner licensing the holder or any other person or corporation, or conveying any rights or permission to manufacture, use, or sell any patented invention that may in any way be related thereto.

ASSIST-Online
“Benefits of Registration”

- Lets all users create customized Alerts
- Provides access to key points of contact
- Allows all users to view and comment on draft documents in coordination
- Only way to access report features in the Qualified Products Database (QPD)
- Lets users customize reports and export most data to a spreadsheet or PDF file
